

Introducing Compac

Unibloc-Pump, Inc. is proud to present the revolutionary Compac™ Series of coupled pump solutions. New for 2013, this innovative design delivers a user friendly, simplified pump system. From the unique and straight-forward design of the Compac Direct, to the unmatched versatility of the Compac Flex, the Compac Series offers a complete line of sanitary lobe and gear pumps for a wide range of industries and applications.

Compac Flex

- Compact Design
- Horizontal or Vertical Mounting Versatility
- Eliminates Pump & Motor Alignment Issues
- Safe Design with No Accessible Moving Parts

Compac Direct

All Compac Series feature Unibloc® Pumps. Renowned for their dependability and uncompromised sanitary design, Unibloc Pumps excel in food, beverage, pharmaceutical, dairy, chemical and cosmetic industries.
